

little me day nurseries

NEWSLETTER w/c 8th April 2019

THATCHAM

Our nursery theme this week was: **Birds**
 Our nursery theme next week is: **Easter**
 Pre-School phonics letter: **s**

beenyies have been learning their first Makaton sign 'more'. We start with this sign as it is the earliest sign of children's communication.

toddlers have been listening to the story 'owl babies'. They can now all re-tell the story by looking at the pictures which will help to develop their language skills and literacy development. They have also made their own binoculars from kitchen rolls, decorated them and attached string so they can practise bird watching in the garden.

Please remember, Friday 19th April and Monday 22nd April are bank holidays, so the nursery will be closed. Also, if your child attends Term Time only sessions our Easter holidays run from Monday 8th - Friday 19th April.

pre-school went to the market to buy their own bird seeds and lard to make homemade bird feed hangers. They hung them up in the garden and watched as the pigeons came down and ate them.

They have also helped with planting our new flowers/plants in the front entrance and discussed ways we can care for the environment.
