nursery closure

We are extremely happy that September 2026 marks our 15 year anniversary as a company. We will have a number of celebrations in the nurseries with children and parents leading up to this. We would like to remind you that the nursery will be closed on Tuesday 1st September 2026 so that we can celebrate with our staff team.

We understand the importance of forward planning for families and hope that this early notification will allow you sufficient time to make any necessary arrangements. Please be assured that full time children will be given a refund for this day and for all other children they will be offered an alternative session for this closure.

buggies

Please ensure that buggies are folded down and placed on the available storage shelving to ensure the area is safe for others. This will also allow Toddler children to move through the area to access the outside in a safe manner.

appropriate clothing

As the weather is changing, please ensure appropriate clothing is provided, including sunhats, raincoats etc.

absence

If your child is going to be absent from the nursery, please ensure that you let the nursery know by 10am on the day as for Safeguarding reasons we have to account for all absences.

dougie's diary

A reminder that our children's books Dougie's Diary are available to purchase from the nurseries or from our website. There are 5 titles available including Daisy Comes Home and Thankyou Day. Please speak to the Nursery Manager if you would like to purchase any of these.

our charity

Our Nursery Owner **Mandy Khaira** is a Trustee of the MCKS Charitable Foundation UK. Therefore, our nurseries actively fundraise and support the charity throughout the year in various ways. If you have fundraising ideas or would like to support our events then please speak to the Nursery Manager.

Best wishes
